

# Frank Products

Frank is all about keeping things simple, including products.

Frank's hospital cover comes as Basic, Better or Best.

Extras, you can have Some or Lots. And you can opt for a 50% or 80% refund.

How you combine them is up to you.

Maybe you're single and want a bit of everything.

Or perhaps you want total piece of mind, for you and your partner.

On a budget? Why not scale back a bit.

Don't need extras? No problem! And if you've got kids, you can cover them too.

So no matter who you are, Frank lets you get the right cover for you. And you'll always know exactly what it's going to cost.

Pretty simple hey?
